

**PROCEDURES FOR GUESTS:**

Personal Preventative Equipment (PPE): Face mask is mandatory. All guests are required to wear a face mask upon entry and for the duration of the tour. They will only be allowed to remove masks when tasting is being conducted. If any guests refuse to wear a mask, he or she will not be granted entry.

Temperature testing: All guests will have their temperatures checked upon arrival at the Visitor Center and at the Distillery. Persons with temperature of 37.6 degrees Celsius or higher will not be allowed to enter.

Sanitizing: All guests will be required to sanitize their hands upon entry and at other locations throughout the tour (Distillery). Social Distancing: Guests will maintain and observe social distancing of 6 feet unless it is a family group size.

Tour and retail purchase: To reduce the use of cash transactions guests will be encouraged to use debit/credit cards for purchasing.
